Dear Stitchers,

I am off to Columbus, Ohio for the annual Summer Needlepoint Market and, as usual, fretting over what to pack, how to pack it, and WHEN to pack it! This conundrum started me pondering that it is a wise stitcher who has a travel stitch bag always prepared. This bag would have the basic necessities tucked inside and stand at the ready to head out the door.

Here is the checklist that I have devised for my bag:

1. Needle case
 - 3 of each size:
 - #20,22,24 tapestry needles
 - 2 of each size:
 - #20, #22 chenille needles
 - 2 beading needles
2. Scissors
3. Laying Tool
4. Bohin Seam ripper
5. Floss bags and rings

6. Tacks
7. Pencil and paper
8. A small book of stitches of your choice:
 - SuZy's Portable Stitches
 - Stitches to Go

9. Magnets Optional Equipment:

1. Magnifier
2. Battery operated light
3. Frame stand

Once you have this bag all prepared, all that you have to do is choose your canvas, threads, and stretcher bars. Add your toothbrush and passport (clothing optional) and you will be ready for any destination.

With school out and summer upon us, it is time for some serious stitching. We have recently received some new school motif Santas, angels, and snowmen. They would be a great gift for your favor-

ite school booster or recent graduate. Creative Needle has sent us some beautifully painted crosses and ornaments. Melissa Shirley added new Texas themed mini socks to entice all you True Texans!

A real show stopper this holiday will be Dede's 3 dimensional holiday houses. You really do have to see these canvasses to appreciate the detail, dimension, and uniqueness of these houses. You will want to start your collection immediately.

Waltzing across Texas this summer? You will not want to miss Trubey's masterful mural depicting all of the glorious points on our state's map.

Please stop in and see me upon my return as I always find new thread, books, canvas, and many little extras!

Happy Stitching,
